

MEGAPOWER

MB-103 Ultimate-AV Link Wireless HD Multimedia Projector Adapter

W/M Projector Adapter is a wireless multimedia presentation gateway that connects Notebooks/PCs to any type of projectors, TV or Monitor for displaying high quality multimedia presentations.

Features/Benefits

Dynamic, interactive presentations

Fast animations and slide transitions ensure your presentations are smooth and professional. Wireless connectivity allows users to easily take control .

High-quality full-motion video

Video Streaming supports all video formats for smooth, HD-quality display.

Supports high resolutions

Supports resolutions up to 1024x768 to deliver incredible image details and sharp text and graphics.

Easy set up

Wirelessly connect to your laptop. Download the driver. Start your presentation. It's that easy.

Software driver downloadable from the device

There's no need for your IT staff to pre-load drivers.

Stay connected to the Internet

The 10/100M Ethernet port ensures you will always have web access, even while projecting wirelessly.

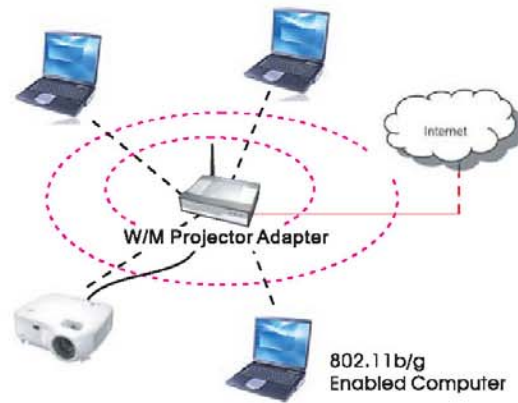

Security

Support Login code to protect other users from accessing presentation contents. During presentation, screen images can also be protected by WEP 64/128 encryption.

Cost-effective solution for mobile presentations

With its easy connectivity, light weight and portability, it goes anywhere and is more cost-effective than a projector with integrated wireless.

Wireless connection to projector/monitor with W/M in Access Point mode.
Users can always have web access, by using 10/100M Ethernet port, even while projecting wirelessly.

Specifications:

CONNECTORS	RGB out Audio out Network Wireless Power	15 pin D-Sub 3.5mm stereo jack RJ-45 Reverse SMA antenna DC-in jack
NETWORKING	Wireless Data Link Protocol Data Transfer Rate Line Coding Format Frequency Band Features Channels Max Range Indoors Max Range Open Space Wired Management	802.11b/g (54 Mbps) IEEE 802.11b, IEEE 802.11g 108 Mbps DBPSK, DQPSK, CCK, OFDM 2.4 GHz 64/128-bit encryption, DHCP support. Access Point operational mode US, Canada 11, Europe 13, Japan 14 100m 300m 10/100M fast Ethernet for LAN and WAN Web-based configuration & management Conference control, GateKeeper
RESOLUTIONS	Graphic Video Color depth	1024x768 up to 15fps 1080p up to 30fps 16/32bit
POWER		Universal AC adapter 5V DC/2A
OPERATING CONDITIONS	Temperature Humidity	41-104°F (5-40°C) 20-85% (non-condensing)
PACKAGE CONTENTS		Main Unit, antenna, universal AC adapter, User's Manual
SYSTEM REQUIREMENTS	Processor Memory Wireless OS	900 MHz or higher (1.7 GHz for video) 256 MB memory or higher (512 MB for video) 802.11 b/g WLAN Windows XP Pro, XP Home, WIN 2000 Windows Vista
Mechanical Dimensions		117mm(W) x 140mm(D) x 27mm(H) Weight: 279g
