## **MB-103 Ultimate-AV Link Wireless HD Multimedia Projector Adapter**

*W/M Projector Adapter is a wireless multimedia presentation gateway that connects Notebooks/PCs to any type of projectors, TV or Monitor for displaying high quality multimedia presentations.*

### **Features/Benefits**

#### **Dynamic, interactive presentations**

Fast animations and slide transitions ensure your presentations are smooth and professional. Wireless connectivity allows users to easily take control .

#### **High-quality full-motion video**

Video Streaming supports all video formats for smooth, HD-quality display.

#### **Supports high resolutions**

Supports resolutions up to 1024x768 to deliver incredible image details and sharp text and graphics.

#### **Easy set up**

Wirelessly connect to your laptop. Download the driver. Start your presentation. It's that easy.

#### **Software driver downloadable from the device**

There's no need for your IT staff to pre-load drivers.

#### **Stay connected to the Internet**

The 10/100M Ethernet port ensures you will always have web access, even while projecting wirelessly.

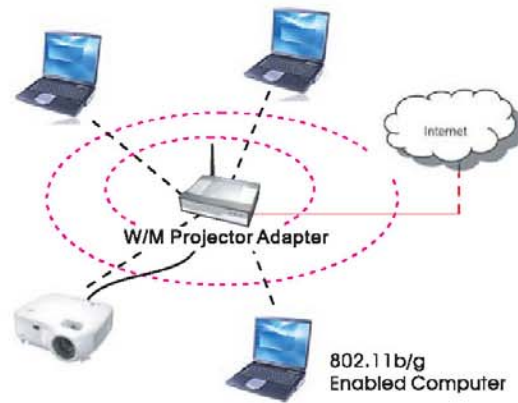

#### **Security**

Support Login code to protect other users from accessing presentation contents. During presentation, screen images can also be protected by WEP 64/128 encryption.

#### **Cost-effective solution for mobile presentations**

With its easy connectivity, light weight and portability, it goes anywhere and is more cost-effective than a projector with integrated wireless.

Wireless connection to projector/monitor with W/M in Access Point mode.  
Users can always have web access, by using 10/100M Ethernet port, even while projecting wirelessly.

## Specifications:

<b>CONNECTORS</b>	RGB out Audio out Network Wireless Power	15 pin D-Sub 3.5mm stereo jack RJ-45 Reverse SMA antenna DC-in jack
<b>NETWORKING</b>	Wireless Data Link Protocol Data Transfer Rate Line Coding Format Frequency Band Features  Channels Max Range Indoors Max Range Open Space  Wired Management	802.11b/g (54 Mbps) IEEE 802.11b, IEEE 802.11g 108 Mbps DBPSK, DQPSK, CCK, OFDM 2.4 GHz 64/128-bit encryption, DHCP support. Access Point operational mode US, Canada 11, Europe 13, Japan 14 100m 300m  10/100M fast Ethernet for LAN and WAN Web-based configuration & management Conference control, GateKeeper
<b>RESOLUTIONS</b>	Graphic Video Color depth	1024x768 up to 15fps 1080p up to 30fps 16/32bit
<b>POWER</b>		Universal AC adapter 5V DC/2A
<b>OPERATING CONDITIONS</b>	Temperature Humidity	41-104°F (5-40°C) 20-85% (non-condensing)
<b>PACKAGE CONTENTS</b>		Main Unit, antenna, universal AC adapter, User's Manual
<b>SYSTEM REQUIREMENTS</b>	Processor Memory Wireless OS	900 MHz or higher (1.7 GHz for video) 256 MB memory or higher (512 MB for video) 802.11 b/g WLAN Windows XP Pro, XP Home, WIN 2000 Windows Vista
<b>Mechanical Dimensions</b>		117mm(W) x 140mm(D) x 27mm(H) Weight: 279g
