

MEGAPOWER

ULTRA PORTABLE 1080P DLP PROJECTOR

MODEL: ML360

- **Small Size 132*132*34 mm and weighs 540 gm only**
- **FHD 1080p native resolution and supports 4K**
- **Auto Focus and Auto Keystone**
- **Android OS built-in**
- **Battery Operated**

This projector is extremely compact and can easily slip into brief case for on-the-go presentations. The 1080p resolution gives fine details to video as well as text in presentations. The Android OS allows downloading of Apps to expand the functions and allows connecting to Smartphones or Tablets for wireless projection.
